

Date: 24th Sep 2018

Projecting an executive presence, our Managing Director Mr. Sunil Srivastava visited Kulaura Shahbazpur Project site along with Mr. Tapan Ghosh, Country Director/Bangladesh on 15th & 16th July 2018 to review the ongoing Consultancy Services for Rehabilitation of Kulaura - Shahbazpur Section (Phase-II) of Bangladesh Railway project in Bangladesh.

This project broadly involves the rebuilding the Kulaura-Shahbazpur section of Bangladesh Railways, which existed in the days before the partition of the Indian subcontinent. It is seen as part of a trans Asian railway project that seeks to connect South Asia to Southeast Asia.

During this visit, BARSYL team have traversed from the Zero Point of Indo Bangladesh Border to Shahbazpur.

At Contractor's make shift office.
